*Approximate cans/cups

1 For each additional pound of body weight, feed an additional 24 kilocalories.

2 Kilocalories of metabolizable energy.

3 This daily amount should be divided into two or three small meals throughout the day.

4 Adjustments may be made for environmental conditions, activity level, body condition, and size. Provide fresh water in a clean container daily.

For more information: Call the Purina Veterinary Resource Center at 1-800-222-VETS (8387) weekdays, 8 a.m. to 4:30 p.m. (CT), or consult the Purina® Pro Plan® Veterinary Diets Product Guide.
